

## About NA Meetings:

Our meetings vary widely in size and style. Some are small and intimate; others are large and loud. The practices and terms used in our meetings also vary widely from one place to another. Most importantly, our meetings are where we share our experience, strength, and hope.

**If you have received this phone list...**  
We are welcoming you to our meeting and encouraging you to call if you have a question about the NA program or just need someone to listen. The person you call may not be able to answer your call right away, give you a ride to a meeting, or answer every question perfectly. We are addicts who help each other while we help ourselves to stay in recovery by sharing the message of Narcotics Anonymous.
