THE HISTORY OF TUMBLEWEED NEWSLETTER

Tumbleweed newsletter was started on March 7, 1993. The newsletter was created by Susan G., Cindy M., Matthew G., and Bernie H. They put in so much hard work till the very last minute of its deadline, and that's when their first issue was brought out. The first tumbleweed newsletter was 4-pages long and there were articles on the 3 year history of this area (AT THAT TIME), there were also 2 personal stories, birthdays, and interesting facts. Sad to say but the first issue ended up being the last because one of the members moved out of the area that's when the newsletter went down softly! Also when the funds were misplaced and the lack of participation, there was no one there for tumbleweed newsletter to go on and that's when it was officially "dead"! In May a new comer with 25 days clean walks up to one of the members of the newsletter and ask "when is the next issue due out"? When he found out that there was not another one coming out, he was shocked because of the reasons why! So he offered his help as long as they could try to find the funds. After phone calls and some long distant trips, the funds were recovered. The newcomer and two other members got to work. To top all this off the tumbleweed newsletter was brought back to life on JULY 11, 1993!!! The first anniversary was on MARCH - APRIL 1994! Inside this issue was "THE BIRTHDAY THAT NEVER CAME" & "HAPPY 4TH BIRTHDAY S.A.V.A.N.A." (THE YEAR IN REVIEW) & "ACTIVITIES COMMITTEE" & "CURRENT EVENTS" & "JACK'S VIEW" & "DEAR CHEST" & "LITERATURE REVIEW COMMITTEE" & "STEP QUOTES FROM IT WORKS HOW AND WHY STEP ONE"... I personally want to thank the N.A. members that were part of the newsletter when it started and the ones that brought the TUMBLEWEED NEWSLETTER back to life!!! In the tumbleweed newsletters last words "We will always warmly welcome your input and support; for without you, there would be no recovery"..... Newsletter you rock!!!! From an addict to another addict
